Introduction

The Contra Costa County History Center has paper copies of *The Contra Costa Gazette* from 10 Sep 1864 to 31 Dec 1899. This comprises the first volumes of this paper. In these early papers the vital records were published in small boxes labeled born, died or married. On occasion there is an article or obituary separate from the announcement.

These papers are also on microfilm in the reference room of the Pleasant Hill Library.

This is a transcription of just the information in the boxes. Occasionally, there is a poem or brief obit printed in the box. Only short (a sentence or two) obits/funeral information is transcribed. Longer obit, notices and poems are noted in brackets. Obvious mistakes are marked with [sic]. The transcriptions are as printed including the use or not of capital letters in words such as city or county.

For copies of the notices and/or their accompanying articles (if appropriate) please send a check for \$8 and a SASE to CCCHS, 610 Main St, Martinez CA 94553-1129
