Dedication

Service, loyalty, and merit in the persons with whom we work contribute greatly to making our school days enjoyable.

Those of us who have worked with him know that Mr. Guy E. Hatch, our hardworking print shop instructor, possesses these qualities. His superb work on student publications and the excellent printing he does on programs and posters merit the appreciation and respect which the entire student body holds for him.

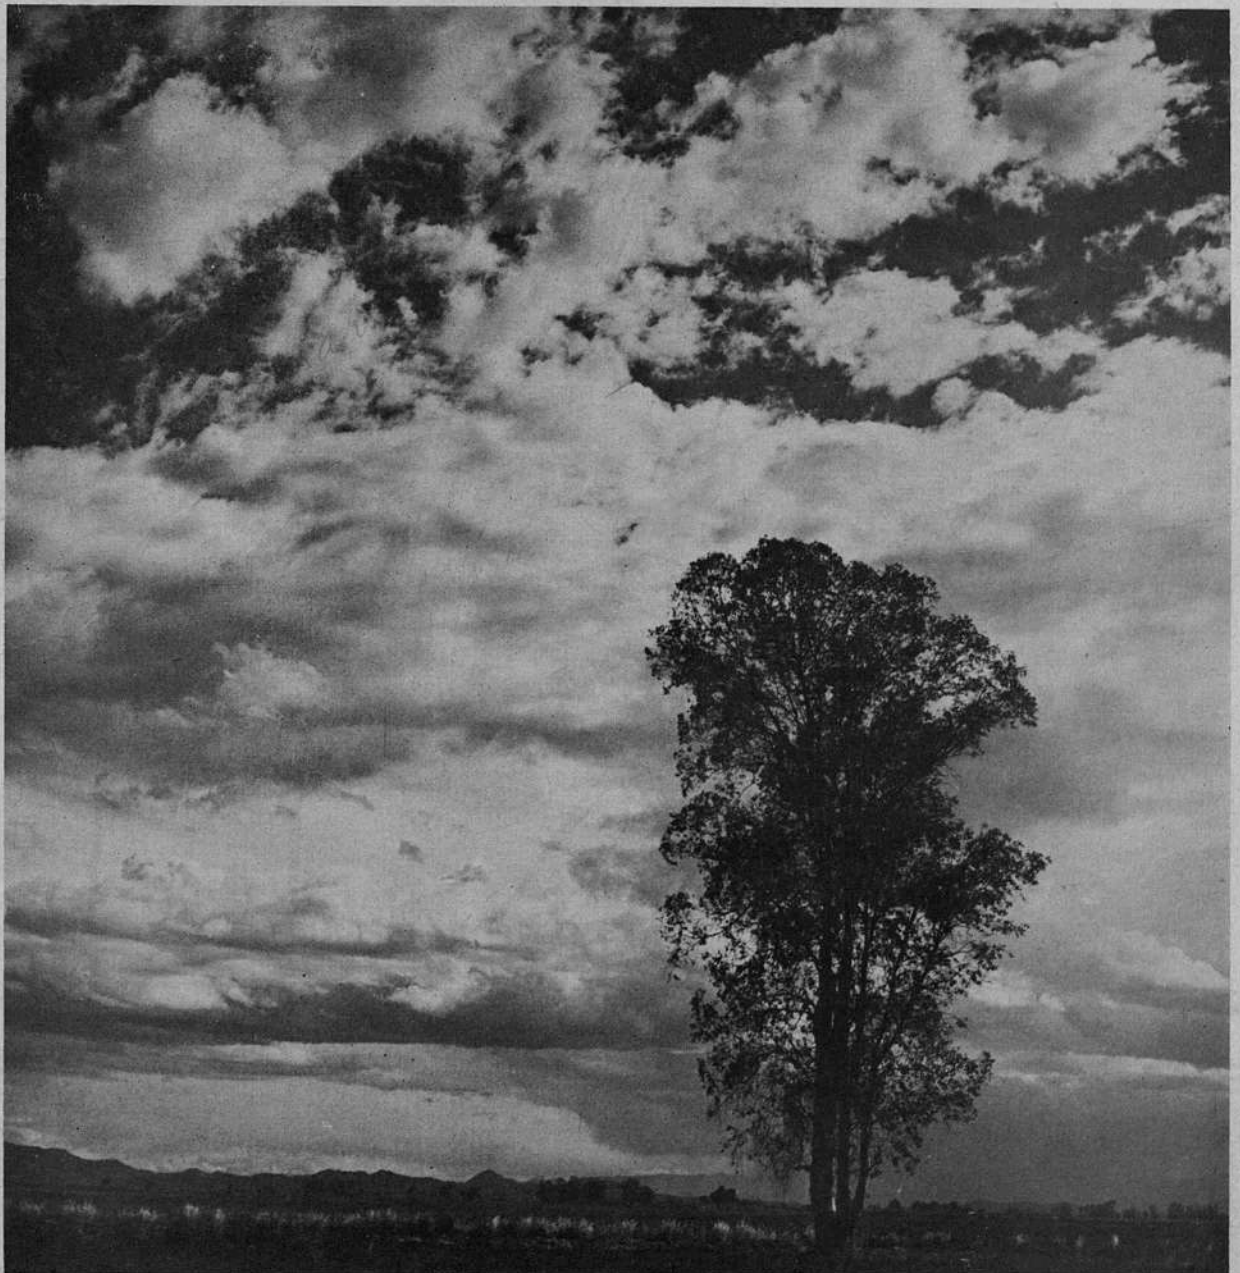

Mr. Hatch prepared himself to teach by attaining a Bachelor of Arts Degree from Kansas State Teachers College. He came to El Centro in September, 1927, to teach wood shop, print shop, and mechanical drawing. He was Junior Class Advisor for 15 years and has been Senior Class Advisor for the past 4 years.

Therefore to show our respect and gratitude for his long service, we, the students of Central, gratefully dedicate the La Solana of 1951 to Mr. Guy E. Hatch.

Trustees--

Keep the Wheels Turning

No wheels would turn smoothly without the Board of Trustees, which has worked for the good of the school. They are responsible for our excellent equipment, our new building, and the maintenance of our buildings and attractive grounds.

We are especially pleased with our new Study Hall and Library and wish to express our appreciation to the board for the new building.

Office Staff

No wheels would turn at all if it had not been for the work of Mrs. Measures and Mrs. Womack this year. For who in school has not had to go to the office at some time and ask for help or the necessary excuse blank? Not only absentee reports but keeping track of programs and classes have kept our office staff very busy.

No matter how busy they are, no one ever received a discourteous answer, and we know that many times students need not have bothered such busy people.

We want to take this opportunity to thank them for their patience and their help all through the year.

Dear Patty I think you are a very sweet girl friend and I'll be seeing a lot of you next year (to bad) but I guess I'll have to put up with you. Don't you think we had a good year? You know what I mean I'll see you soon.

The wheels of our school would stop turning if it were not for the capable and efficient work of the office staff. The office staff under the direction of Mr. Gresham, Assistant Superintendent, has given us just the smooth running office that every school needs.

Any student who ever had to visit the office was always met courteously, and was always served with the greatest of efficiency.

We are proud of our staff and their service to us is appreciated.

Dear Patty,
 Hi, Pat, Haven't we had a lot of fun this year? I know we will be just as good friends next year and even after. Have a nice vacation. We'll be seeing you.

 P.S. I think you are a very cute, sweet girl.

Commissioners

Student Body Officers

This year Central was led by two dynamic leaders. For all their shortness in height, they have proved to be giants in efficiency and leadership. The job of conducting assemblies was a snap for that Southern "Rebel" with a love for filibuster, Hunter Charlton. Kathy Walper, the well-known redhead whose label for almost anyone was either "Scrounge" or "Buster" also showed her ability for leading assemblies and getting things done.

*Patty,
Good luck in

School years

Order! Order! Those were words often heard at Commissioners' meetings this year. Led by the dynamic Hunter Charlton, this year's Commissioners have done a fine job of operating the student government.

First on the program for the year was the sale of student body cards. The Commissioner-sponsored contest for the sale of the cards brought hundreds of students flocking to buy.

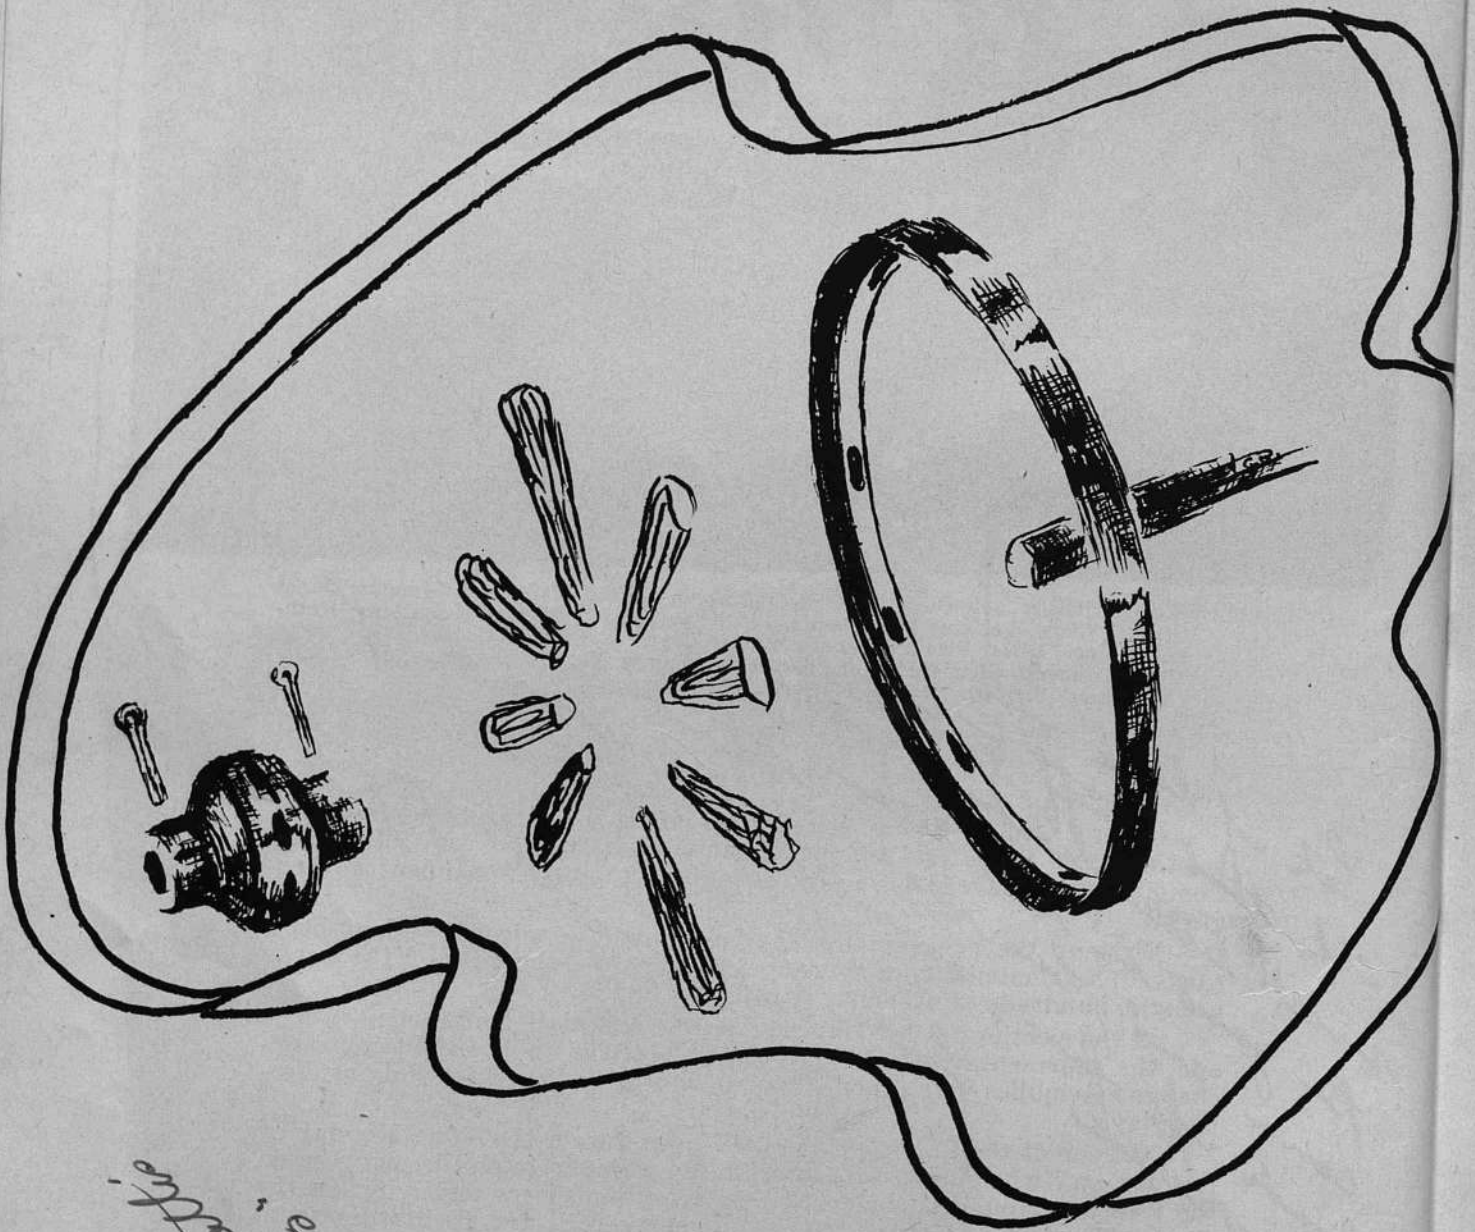

At the meetings of the Imperial Valley Association of Student Councils, the representatives of Central were instrumental in obtaining exchange assemblies with other schools and a critic board for judging Valley plays.

Not one of the Commissioners will ever forget that blue Monday of last January when, upon walking into the office to fetch the piggy bank, the treasurer found it shattered into a million pieces and lying on the floor. The \$3.91 which had been diligently collected for tardiness to meetings had been stolen. This was almost too much, but the gallant Commissioners rallied under the cry, "Remember the pig!" Some kind soul donated a treasure chest bank, complete with \$3.91, to the group.

Thanks to the Commissioners and the people who elected them, this year of 1950 and '51 will be a never-to-be-forgotten page in Central's history.

PARTS OF

THE WHEEL

*Mr. Pat,
see if you arranged
and show the best
of them, the wheel
of Tomlinson's
Cavalry's plates.*

Dear Patty—

I'm almost as speechless as you are. There are so many things that have happened that seem to unimportant to write about, but that I'll remember off and on throughout the years.

You and your mom have certainly been wonderful neighbors, letting us borrow this and run to town for that.

I hope the rest of your high school days will be even more full of fun and happiness for you than this year has been, and I'm sure they will be.

I won't be seeing much of you after we leave for Texas, 'cause being a Freshman again is going to keep me pretty busy, but I'll always remember you. Be good and stay sweet.

CLASSES

Seniors--

"Everything Turns Around the Axle"

The Class of '51 has successfully steered through four years of life at Central High School. During these four years the class has proved to be a strong, fine axle for the wheel of school life to turn on.

This year's seniors got off to a remarkable start in high school with their outstanding freshman assembly in 1948.

In 1949, their sophomore year, they were influential in all Central's organizations. A number of the boys had already begun to make names for themselves in sports.

In 1950, their junior year, they presented the thrilling mystery-comedy, "Home Sweet Homicide." Their Junior-Senior Prom with an "Aloha" theme was lauded as one of the finest ever.

This year the seniors have really kept the rolling at Central smooth. "Inner Willy," the senior play, was noted by critics as "the best presentation ever given at Central." The senior dress-up day was truly a treat to the other students.

Many of the seniors shone individually in the fields of forensics, journalism, dramatics, and sports.

Here's hoping that the members of the Class of '51 may roll through life as smoothly as they have rolled through their years at Central High.

Freshman Officers

In the fall of 1950 a group of bewildered students entered the halls of Central Union High School to begin their high school life. With looks of expectation on their faces they walked about the campus anticipating their next four years.

It wasn't long till everyone became conscious of their presence. They worked hard to win the beautiful placque given to the class who bought the highest percentage of Student-body cards. They proved they could take their place at Central along with the rest of the high and mighty.

Watch for those freshmen! They'll go a long way in the next three years!

*Patty Lou, Keep
up the good work and
I'll see you next
year. May we always
be friends. Best of
wishes.

El Centro Chapter, Future Farmers of America

This year the El Centro Future Farmers have successfully carried out many goals and ideas. We have participated in three state and local judging contests; attended three fairs; attended state, regional, and sectional meetings and took an active part; had sectional winners in public speaking and the annual cooperative quiz contest; sent two delegates, Werner Locher and Fred Binggeli, to the National Convention at Kansas City; and sponsored a dance in cooperation with the Future Homemaking department here at CUHS. The ribbons accumulated by contest teams and individual and fair exhibitors is evidence of hard work, considerable effort, and jobs well done. We like to learn by doing.

Thespians, like many other school organizations, came into full swing this year. The membership increased from 8 to around 34 before the year was over. Membership is attained by participating in plays, helping backstage, and various other activities connected with dramatics.

Among the several plays given this year were "Inner Willie", the Senior Class Play; "Ghost Train", the Junior Class play; "Balcony Scene", a one-act play presented at the Pasadena Play House; and the Junior Thespian one-act play.

This year, for the first time, the Thespians themselves handled the technical work for all stage productions.

Being a Thespian is really an honor, and the Student Body is proud of its chapter.

In December, members of the team journeyed to San Diego where they attended the annual speech tournament at San Diego State College. The team was successful at the Redlands Speech Tournament held in the spring.

N. F. L. activities for the year included the selling of Spartan Dinks, and trips to the N.F.L. Student Congress and district tournament.

This year marks the completion of four years of service to the school and the community by this student staff of the Audio-Visual Department. The A.M.P.S. has been guided by its student leaders with a minimum of faculty help.

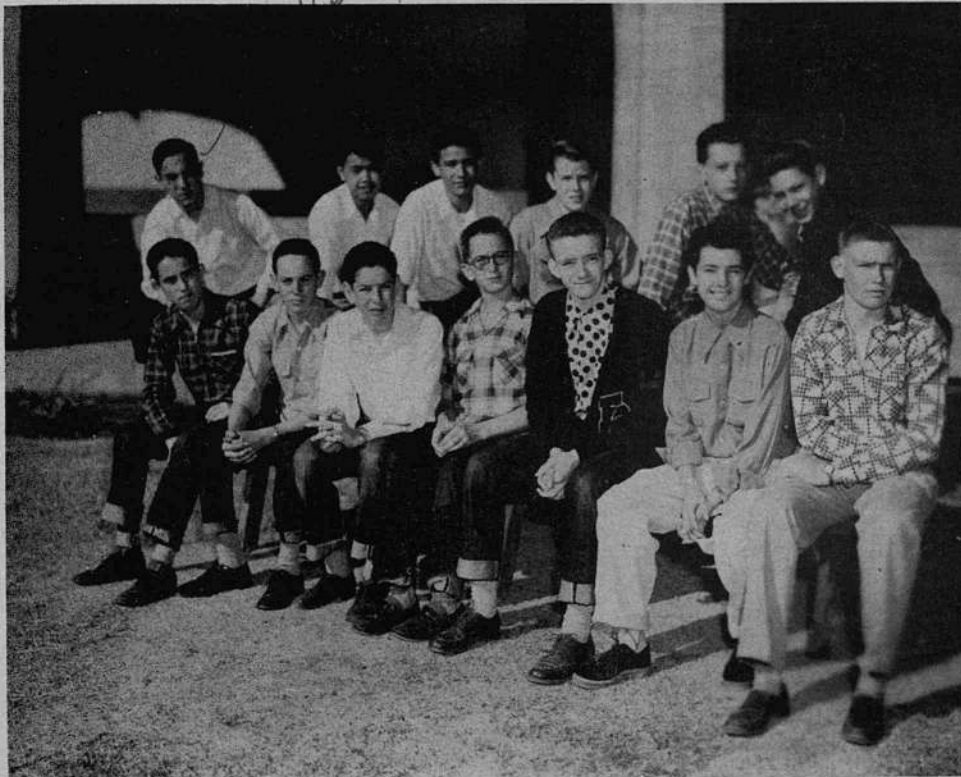

The A.M.P.S. has set up a fine public address system on the football field and in the auditorium. The organization has tripled the use of motion pictures and other visual aids in the school. Its members have performed many services for the community by serving as technicians and projectionists.

After a highly successful year, the boys are looking forward to an even better year next year.

The sound of some 120 stamping feet is heard and the Central Union High School Cadet Corps marches into view.

Instructor Walter P. Peacock has done a splendid job this year. He said, "We are working to make the corps into one of the best since its beginning and to make it a corps for the school to be proud of."

Selecting a staff of officers was quite a task. After much deliberation it was decided that Major C. D. Tankersley should be commandant. Others on the staff of officers were Captains Charles Scroggs and Bob Bowman, and Lieutenants Jim Wilson, Jesse Smith, Ray Morris, and Albert Dicerto.

All through the year the instructor and the staff of officers taught the recruits about army life. It seems as though they may need all the training they can get.

One of the outstanding differences in our school paper this year was its change of name. This was brought about by the fact that both the high school and junior college were able to put out separate publications and thus the old name "Warrior-Nomad" was no longer appropriate. "The Shield" was the name selected by the student body.

The traditional high ideals of the paper were continued, and the appearance was improved by the addition of more pictures and drawings.

The first page of the semi-monthly publication was given over to the important news events of the past and future; the second contained editorials and interesting feature stories; the third consisted of social events and fashions; and the fourth page was the ever important sports page. The total result was an interesting paper.

Central Union High School is proud of its great band. To Mr. Huddleston, Director of the Band, goes much credit for making this band such a good one. At the Music Festival in El Centro on April 7th the band received a rating of one. This high rating entitled the band to participate in the Southern California Music Festival at Fullerton on April 21st.

The Band has taken part in many community parades, including the Christmas Parade and the Bond Parade on March 5th. The merchants through a Band Day donated money so that the band could go to Fullerton.

The school takes this opportunity to thank the band for its fine work and to thank Mr. Huddleston for his time in making it that way.

Central's Glee Club is one we can rightly be proud of. Under the capable direction of Mr. Richard Huddleston, the girls are famous for their beautiful music. One of the girls' favorite pieces this year was the lilting, frolicky "Waltz of the Flowers" by Tchaikovsky. Highlights of the year were the Chris'mas program at the Barbara Worth Hotel, the annual Imperial-Yuma Music Festival at which the glee club received a 1 rating, the Spring concert, and a trip to the coast.

The Glee Club also performed for assemblies and for service clubs. They certainly deserve a great deal of credit for representing our school so well in the field of music.

Coaches

The coaches at Central Union High School this year have been affected by the war emergency. After Christmas Coach "Hub" Foote replaced Coach Carl Lewis who was recalled to active duty in the Air Force.

Coach Harold Church has been in charge of football, basketball and baseball. Even though Central did not always win, Coach Church has always given his best.

Coach Foote was in charge of "B" and "C" Basketball, and of the "A", "B", and "C" Track Teams.

FIRST ROW: Werner Locher, Bill Dube, Bill McGee, Herbert Cooper, Joe Duran, Frank Hernandez, Sammy Samra, Henry Salazar, Valentine Morales, Jerry Burow, Larry Grangetto, Ronald Smith.

SECOND ROW: Bill Cornett, Bill Voorting, Ted Carter, C. D. Tankersley, Mario Chavez, Louis Vogel, Bill Villalobos, Albert Dicerto, Charles Yccum, Dick Waddell, Charles Carl, Bill Tyler.

Varsity Football

Our team had worked together for a long time, putting in many hours of practice, and Coach Church worked wonders with it. Just a few short weeks after school had begun we played Yuma and suffered our first defeat of the season by a score of 19 to 6.

Holtville, a heavy and powerful team, was defeated once again by a score of 12 to 0.

One of the most thrilling games of the year was played at Imperial where the score was tied at 7 to 7, the only tie of the season.

We then traveled to Calexico where we eked out a narrow victory 8 to 6.

Next we traveled to the north end of the Valley where we fell at the hands of a powerful Brawley team 15 to 0.

Holtville played a return game here and we redeemed ourselves with a score of 18 to 0.

On our return trip to Calexico we again won 7 to 0.

The only coast game on our schedule was then played and we won by a score of 6 to 0.

On a hot and sunny Thanksgiving Day we had only one barrier between us and the championship—the Brawley Wildcats. After a hard and well fought game Central bowed to Brawley 18 to 6.

Ralph Smalling proved himself to be mighty rugged this year. Ralph did such a fine job that he was chosen All-Valley. Ralph is a senior so he won't be back next year to show his ability in all the sports he participated in.

Varsity All-Valley

Bill Cornett, whose teeth-rattling tackles were the bane of opposing backs, was selected on the All-Valley this season because of his consistently fine performance in the pivot position on both offense and defense. Bill, who is a senior, will be missed next year.

J. V. First String

The El Centro Bonecrushers began the football season in fine fashion by defeating the Yuma freshmen by the score of 24-0. In the opening game of the Junior varsity league, the Crushers eked out a 6-0 win over Calexico. Then the team journeyed to Brawley and came back with a defeat against them. Brawley won, 12-0. In the next week's game with Holtville, the team engaged in a scoring affair. They came home with a 39-25 win. The next game was with the Imperial team. Our team won this one by a score of 19-0. The following week the Calipatria Hornets came to El Centro for a crucial game with the Bonecrushers. In a game that many agreed was the best the Bonecrushers played all season long, Calipat won by a score of 13-0. The Crushers closed the season in much the same fashion as they began it by beating Douglass, 25-6.

The Bonecrushers placed five men on the Post-Press All-Valley teams this year. On the first team were Bob Clements at end, and Jim Loeffel at center. On the second team were Keith Courter at guard, Bill Durkee at tackle, and Richard Ellis at Halfback.

Bob Clements presents a gift to Coach Carl Lewis when the coach left for the Army Air Force.

JIM LOEFFEL

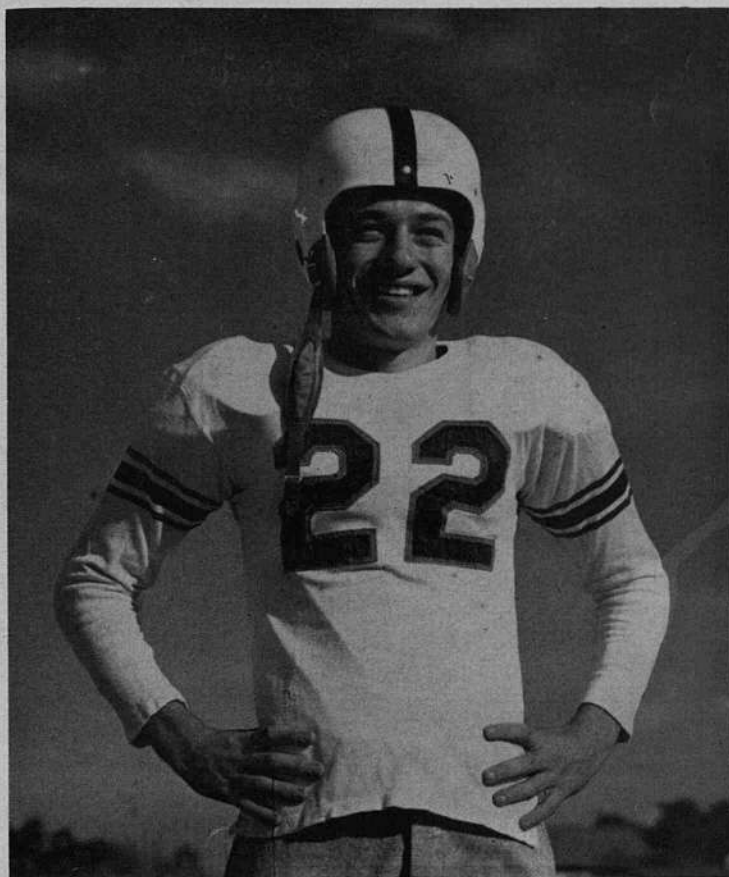

Jim Loeffel, outstanding lineman of the Bonecrushers, was awarded a position as center on the All-Valley eleven. Jim, being a sophomore, has two more years to play for Central.

*Dear Patty,
Keep up the good work in
your studies and music.
It was swell to be in

year. I hope that we
be in some classes together
next year. Lots of love*

BOB CLEMENTS

Bob Clements was another Bonecrusher to be selected on the All-Valley eleven. Playing a sparkling game at end for the J.V.'s, Bob will be a candidate for the Varsity next year, and an outstanding year is forecast for him.

Varsity Basketball

The 1950 Spartan team completed another season under the guidance of Coach Harold Church, taking third place in league competition. The year started with many inexperienced men, but as the season progressed the boys began to round into shape.

After switching his proteges to the different positions, Coach Church selected the best combination possible. Kenny Woodward, Ray Gillespie, Tom Schauwecker, Carl Dupsloff, and Ralph Smalling composed the Spartan Varsity.

Carl Dupsloff was the only El Centro cager to receive the All-Valley award. Carl notched 160 points for Central in the 20-game schedule. Carl, a senior, had been trying for the dream team and succeeded in earning his well-deserved position as guard this year.

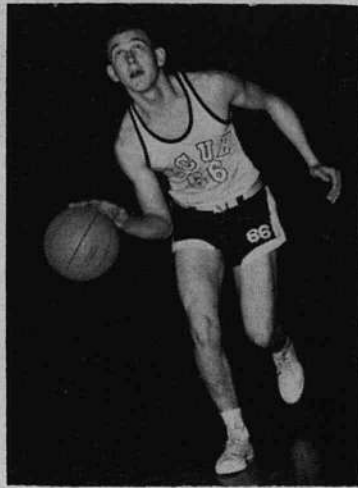

Chief Guy Woodward, of the El Centro Police Department, presented Carl with a trophy as the outstanding player of the year. Carl is the first player to receive this award.

IMPERIAL IRRIGATION DISTRICT — PUBLICLY-OWNED

WATER and POWER

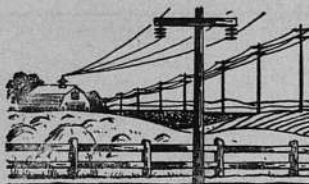

Your District . . .

Imperial Irrigation District, a publicly-owned utility, was organized in 1911. It is the largest irrigation district in the United States, with combined assets of more than \$55,000,000, and serving more than 30,000 customers.

Your Power System . . .

Main sources of electrical energy for the farms, homes and industries of Imperial Valley come from hydro-electric plants on the All-American Canal, a steam electric generating plant, a diesel plant, and from Parker Dam on the Colorado River.

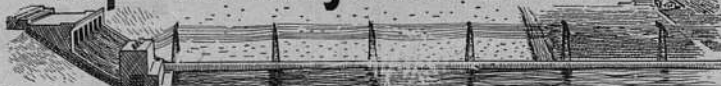

Your Water System . . .

Your irrigation system is the largest in the United States. All of your water comes from the Colorado River. It is diverted into the 80-mile long All-American Canal at Imperial Dam and distributed to the farmers of Imperial Valley through more than 1700 miles of main and lateral canals. Drainage is provided by more than 1300 miles of deep drains and lateral drains, making a total of more than 3,000 miles of canals and drains maintained by your District.

More than 1,000 trained employees daily bring you the water and power that is the life blood of the Imperial Valley.

It is well to remember that the continuing development of our great Imperial Valley throughout the years has been contingent on the development of your Imperial Irrigation District. The bringing into production of additional acres, and the electrification of rural and urban areas, have been dependent on long range, intelligent planning by your District.

AN INVITATION

Sooner perhaps than most realize, the students whose pictures adorn these pages will have become adults, married, and have families of their own. In the process they will acquire land, build houses, and found homes.

For this reason we invite each of them to become acquainted with the service and protection our company has offered to generations of those who came before them. We invite them, through our assistance, to familiarize themselves with the practices observed in dealing with real estate, to learn why Title Insurance is important, and to understand that
