## A HISTORY OF THE IMPERIAL COUNTY GENEALOGICAL SOCIETY

The Imperial County Genealogical Society was founded in February of 1981 by Jacqueline R. (Sirels) Tevault and Maxine (Gudmundson) Barr. Our first get acquainted meeting was held at the Holtville City Hall. Those in attendance were: Jean Landers; Opal Immel; Mabel Evans; Maxine Barr; Jacqueline R. Tevault and Haskell Jacobs of Holtville, California. From El Centro, California came Dorothy Littrill; Lee Decker; Shirley Holt; Merrlyn Hughes; Helen Urban and her daughter Janice Urban.

At this meeting I explained what a Genealogical Society is all about. My "know how" came from being co-founder of the Ventura County (California) Genealogical Society in 1977. Everyone was willing to help get things started, but a little shy about taking an office. We finally did get enough "volunteers" and our second meeting was set for March, in Holtville. Since most of our members at this time were from El Centro we held our meeting, after March, in the Central Union High School Multipurpose Room until September of 1982.

During our first year the membership grew to 43, including 4 Family members. It was decided that the format of our General Meetings would be a business meeting followed by a program, a workshop and visiting with "cousins". We met on a Saturday each month except July and August. There was much sharing of information and personal research materials. Some of us found we really were cousins (once or twice removed). The Societies Library holdings also grew. Members were asked to donate any materials, books, etc. to the Library that they no longer wanted, also monies donated by members for refreshments, at the General Meetings, were used to buy books. Each month members received a Newsletter informing them of when and where our next meeting would be held and other related events pertaining to genealogical research.

Our first year ended with a Seminar held in April of 1982 at the Imperial Irrigation District Conference Room, El Centro California. Our speaker was Mr. Garland Asbell from the Universal Genealogical Society of Bellflower California. We had 23 members and 15 guest attend...it was a little warm, but Mr. Asbell soon made us all forget that discomfort.

Our second year was dedicated to "finding a home" for our Library and General meetings. We had over 200 items in the Library and they were getting to heavy to move around. First we moved to Lincoln School in El Centro and then made contact with the Library in Brawley California. This is our "home" now. Our Library holdings are housed there and our General meetings are held there once a month on a Saturday morning. The once a month Business meetings are held at the home of the President. We ended the second year with 35 members including 4 Family memberships and one Life membership...May Arp who lives in Arizona. Attendance at the General meetings average about half the membership, which isn't too bad considering the busy schedule of our members and the distance we all have to travel

One of our major speakers during our second year was Dr. George Jaquith of Brawley California, who had his family history published by the New England Historic Genealogical Society. Dr. Jaquith donated a copy

of his book to our Library and recently gave us many more books, quarterlies and research material from his collection.

The Surname Index you are about to read is our first major publication. We hope to begin publishing a quarterly soon and some of our members have been indexing the Cemeteries in the county which we will compile and publish in the near future.

As we begin our third year our goal will be to increase membership and make available to everyone as much help and guidance, thru speakers and workshops, as possible.

Best wishes to the new officers and remember.....keep hunting they are there.

Sincerely,

Jacqueline R. (Sirels) Tevault  
Co-founder and President February 1981 - May 1983

## INSTRUCTIONS

The following instructions explain how names have been entered, the abbreviations, the symbols used and the transcribed dates.

Slash marks (/) denote a variant spelling of a surname, such as BREWE/BRAVE/BRAVIE or a change in name such as PRITCHARD/ADKISSON. If the mark (\*\*) appears after a name change it is the name before adoption. The (/) was also used to denote nicknames.

Some names have been abbreviated to conserve space: Eliz. for Elizabeth; Geo. for George; Wm. for William; Thos. for Thomas; Jos. for Joseph, etc.

The symbol (-) denotes before the date written; the symbol (+) denotes after the date written.

The symbol (\*) before a name denotes second wife or husband; the symbol (\*\*) before a name denotes third wife or husband.

All names in this SURNAME INDEX are cross-indexed alphabetically by surnames and given names.

The standard two-letter postal code for states and territories of the United States were used. Letter codes were devised for foreign countries, towns and states. These are listed below.
