OUR SAVIOUR'S LUTHERAN CHURCH BLDG.
1891-1922

At midnight between the 7th and 8th of July, 1922, the congregation's church burned. Nothing was saved. On the 25th of August, 1922, the members held a meeting where it was decided that they accept the offer from the members of St. Johannes Congregation to use the church on Elm and Jefferson Avenues temporarily each first and third Sundays of the month, both midday services.

However, the two record books of the church were not destroyed and were in the possession of Rev. Johansen at his home. These books are stored at a church in Fresno.
