For the most part, searching for the above 3 vital records
will be left up to the individual researcher.

It is my intent to provide resources that contain Vital Info,
but are more obscure to locate.

Basic Vital Record Searches can be conducted on Family Search [Free]

Before I list more Vital Records, there are
Family Search Historical Images that are not found with the typical Catalog Search
Function.

Miscellaneous Death Records & Resources

There is a collection of Transcribed Death Records on RootsWeb
 These Records are from LDS Films and were a project begun many years ago by
 Volunteers,

and as far as I can tell, the project was never completed.

The Deaths Transcribed are 'Pre 1905' for various CA Counties.

The Files are still on the RW Server and are Static, I have no idea if the email addies
 on the Pages are valid, but the links to the various Files work, so Happy Hunting!
