Willows Cemetery District  
 Many years ago, the Willows Cem. Dist. Manager  
 offered access to the files of the Cemetery.  
 I paid for a Double Layer DVD of all the files.  
 They were in a format that required renaming which took a good deal of time. I had one volunteer who  
 assisted.

The Document files are all on a Google Drive: [Please use this Link](#)  
 I am happy to send images, be advised that if there is a SS # included, it will be redacted.

In 1992 & 1994 the LDS Church contacted and photographed records contained within the Mortuary listed above. Most, if not all, of the records have been digitized and can be found in the Family Search Catalog.

Many of the documents are hand written. Interpretation of them will remain with the researcher. In the case of a couple of the films, charts have been created to facilitate easier searching.

The types of documents include, but are not limited to the following:  
Coroner's Inquests, Mortuary Copies of Death Certificates, Funeral Records,  
Burial & Transmittal Records & Obituaries.
