## EDITORS' MESSAGE

Hi!

We of the Sequoia Staff have tried to make this yearbook the best ever.

Our staff has worked "above and beyond the call of duty" even to the extent of taking their own pictures, for this year we had no official photographer.

We hope you like the summer delivery. This represents a full year of school activities instead of the usual one-half year. We of the Staff love it—but remember, it is a trial.

A special thanks to our adviser, Mrs. Esther McGuire, our staff, and you, the students, for co-operating with us.

Sequoially,

*Cathy Daly*  
*Sharon Fyfe*

*Co-Editors of Sequoia*

This year the Eureka High Sequoia Staff salutes the Boosters.

In their second year of existence the Boosters have done more to heighten school spirit and self assurance in our teams than any other organization. They have unfailingly been present at all games to encourage good sportsmanship and to show that the parents are behind the students, too.

In dedicating this book to the Boosters, we not only want to reassure them of our gratitude for their patronage of school spirit but also to ask them to continue their organization as long as there is a Eureka High School.

After the bell rings school is over for the students, but it has only begun for teachers.

Here they are seen having fun (?) in the school library, just before report card time.

Gary was one of 25 students selected from the entire nation to vie for the scholarship.

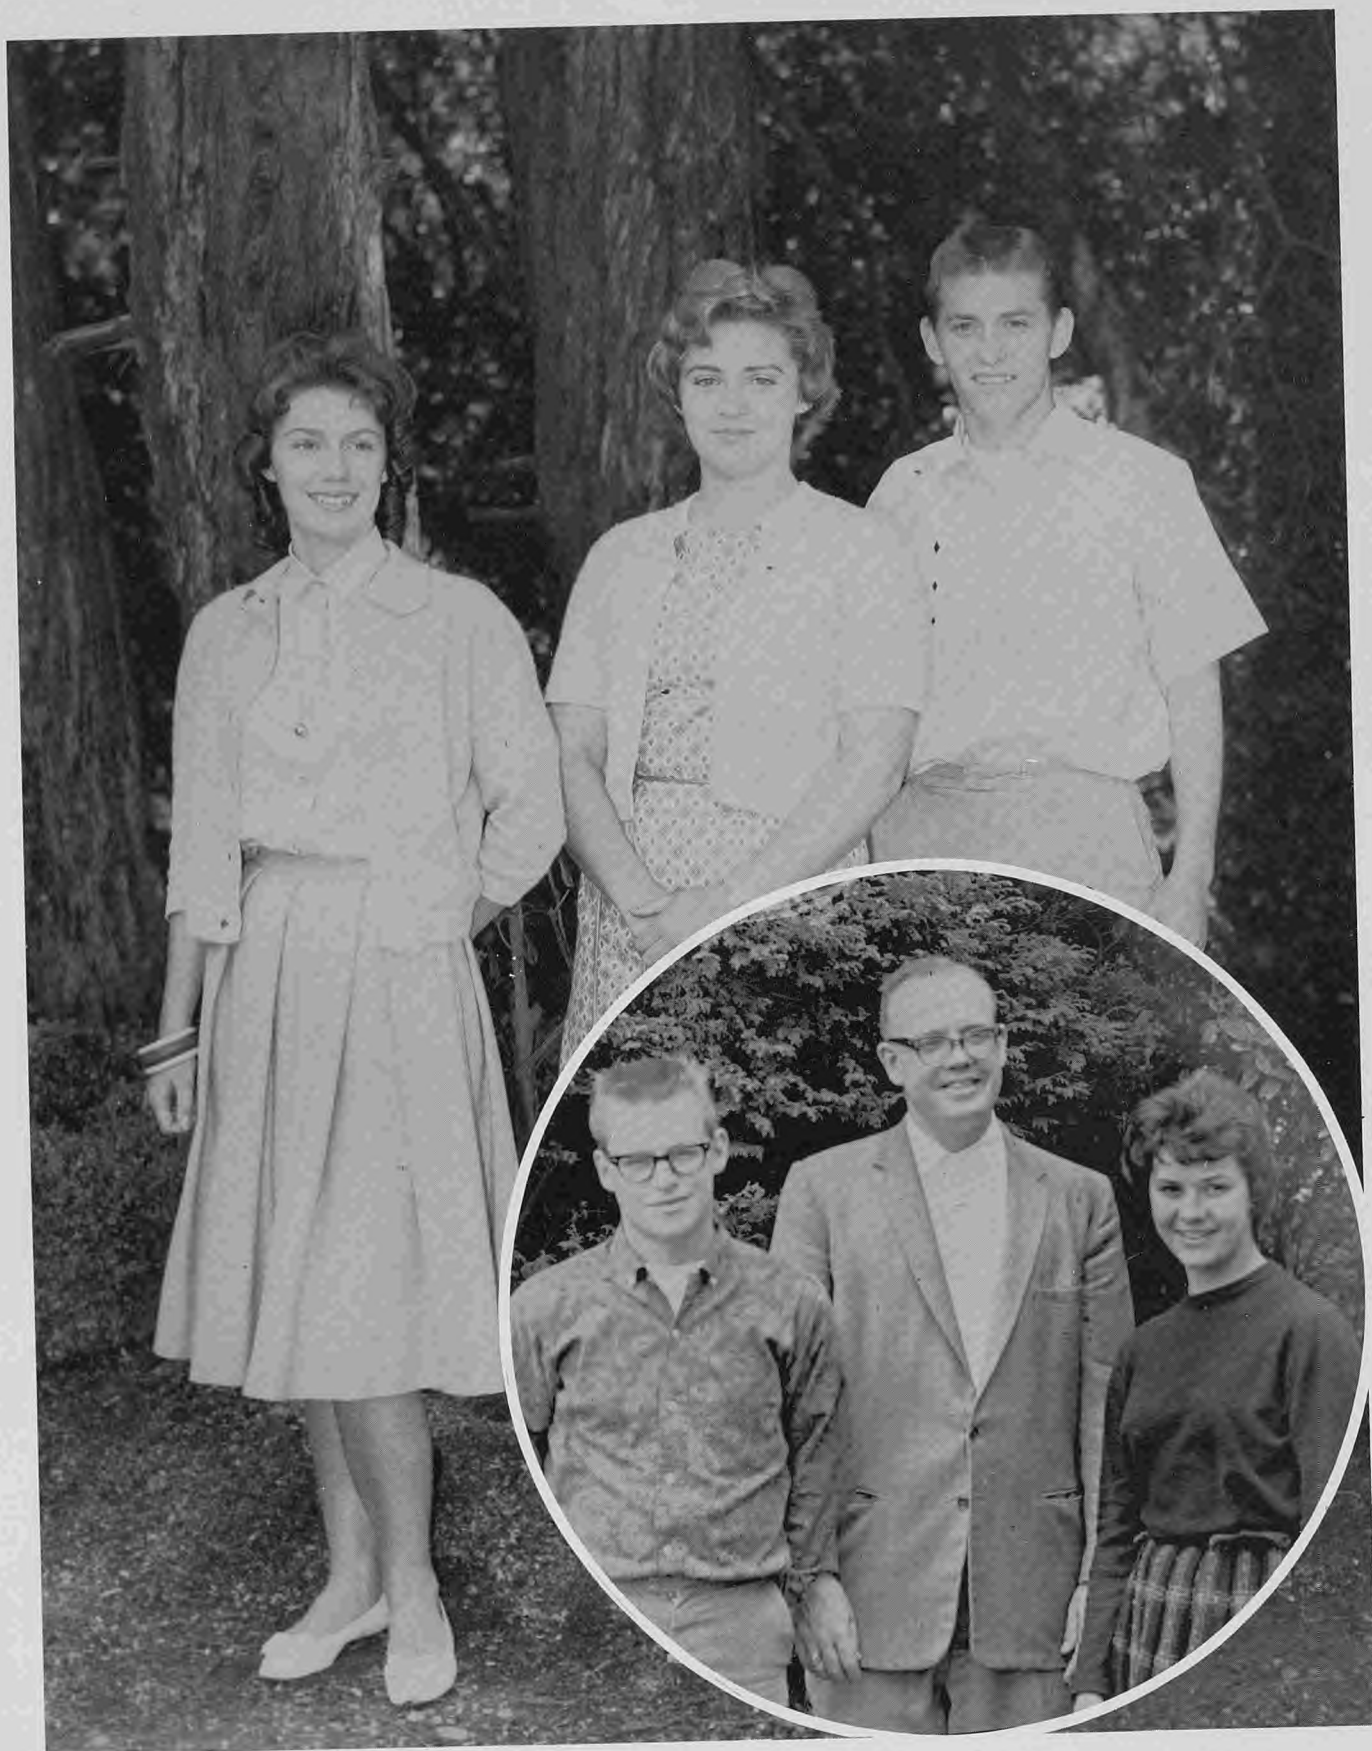

Congratulations to Georgene Dolezal and Paula Gordon for placing first in the 17th national AAA Safety Poster Contest. Paula's poster is one of 11 to be reproduced and distributed throughout the nation.

# BACCALAUREATE — CAPS AND GOWNS

Before the awaited day of graduation comes much preparation. Here the seniors seem to be discussing everything from slightly large heads to the color of the gowns.

Barry Spencer measures Fran McDaniel for her cap. Looking on are Pat Sprague, Sue Brown, and Margie Olsen.

Before graduation, the Seniors are sent off, not only with gaiety and memories of the past, but also with recommendation for the future. At the Baccalaureate Service they were reminded of what is expected of them in the future.

# TOURNAMENT OF CHAMPIONS

Eureka's championship heavy-weight team received a coveted invitation to participate in the Tourney of Champions at Berkeley, March 9, 10, 11—the first time since 1952 that a HD-N team had been selected.

Called by Bay area newspapers the "Darlings of the Tournament," the Eureka team proceeded to knock out top seeded Richmond, 48 to 42, in the first game; but lost their next games to Vallejo and Monterey, thus winning the consolation trophy.

The Eureka Loggers, who were "adopted" by the Vallejo cheering section, placed two players, Bill Goodwin and John Murray, on the All-Tourney, Most Valuable Player, Team.

Above the Richmond Oilers try vainly to deflect Murray's sure basket in the first game of the Tournament of Champions. The Logger's defeat of the favored Oilers was called the "upset of all time in the TOC."

Eureka placed two players on the All-Star team. John Murray, *standing on the left*, and Bill Goodwin *kneeling on the left*, display their trophies. At Bill's side can be seen the Logger's consolation trophy.

The "B" squad was the bright star in the 1961 track season. The squad placed first in total team points this season. Many of the team points were picked up by our "B" relay team.

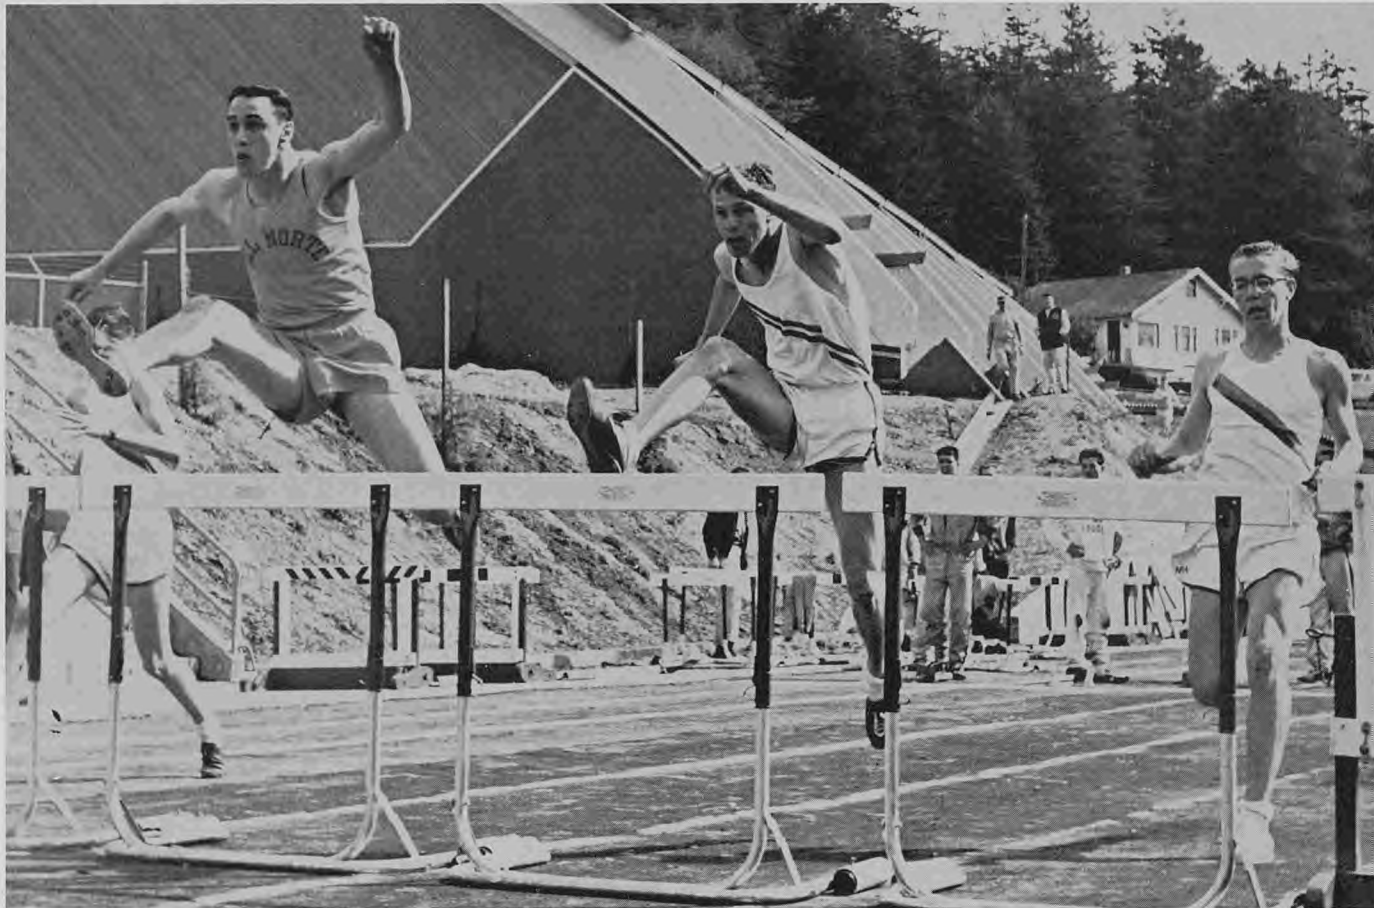

Our "A" squad didn't do as well as we wanted it to do, but "A" competition is the strongest in the county. They did exceptionally well considering that some of our tracksters were knocked out with illnesses.

Here are several of the GAA girls practicing up on volleyball. Competition games were held with schools around the area and they also participated in "Playday" at Humboldt State College.
