Meetings are held the last Friday of every month at 8 pm in the Siskiyou County Public Library, 719 Fourth Street, Yreka, Ca.

Membership Dues \$6.00

Information is given as it was compiled, with spelling of names and places as they were in the original record. This Society, the Editor and all contributing compilers do not assume responsibility for errors in fact or judgement, except their own. Established errors will be corrected as early as possible.

Our Society has arranged with College of the Siskiyous for a class on Jurisdictional Genealogy to be conducted by Mrs. Ruby Lacy of Ashland, Oregon. Pre-registration will be on our regular meeting night, Jan. 31. Classes will be held every Thursday evening from 7-10 in the Siskiyou County Library, Yreka, starting Feb. 20. There will be a \$4.00 charge for fee and material. Everyone is welcome and those who wish it may receive college credit for the course.

Mrs. Lacy is past-president of the Rogue Valley Genealogical Society, and has been our guest speaker on several occasions. We are looking forward with pleasure and anticipation to her class.

Our thanks go to Frances R. Nelson, 4000 Pierce Street, Riverside, Calif. 92505. Her vital contribution after becoming a member of our Society was printing the forms for application in our "First Families of the Pacific States" for just the cost of paper and postage. We are very grateful to Frances, and will have the forms available at our January meeting. Frances has also compiled a Federal 1860 Census of Buchanan County, Missouri which may be purchased from her. She also prints the Vanderpool and the Hedgpeth news letters.

WARREN NELSON'S FAMILY

Fort Jones, Ca.

On September 26, 1846, the ship Loo Choo, flying the Stars and Stripes, left New York harbor for California carrying a regiment of recruits to help save the land from the Mexicans. The company was under the command of Captain J. B. Hatch and Colonel J. D. Stevenson. They were known as the First Regiment of New York Volunteers.

Freeman Wellington Morton was one of that regiment. Some of the recruits were accompanied by their wives and children. Among them was Mrs. Freeman Morton and their small daughter.

They came around Cape Horn, were lost in a storm for three months, finally reaching California waters. While off the coast of California, Mrs. Morton gave birth to a son. That was the latter part of February, and on March 6, 1847 the party landed at Yerba Buena which later became known as San Francisco. They were transferred to Santa Barbara. While there the baby boy was bitten by a tarantula. He was a very sick child and was given up by a physician. A Mexican woman whose baby had been killed told the mother she would cure the child if she would name him for her dead baby. Mrs. Morton consented. The baby was cured and was christened José. His full name was Samuel Jose Morton. He carried a scar on his neck for all of his life from the bite.

The father, Freeman Morton served under General Fremont until the close of the war when he was honorably discharged. He then went to San Joaquin County then to Calaveras County. There a second son, John Pennymore Morton was born in 1850. Later the family moved to Stockton. Mrs. Morton was a native of Germany. Nine children were born to the couple, including the three already mentioned. The father died in Stockton in 1868, his wife in 1900.

Samuel Jose Morton farmed in various places, San Joaquin County, then near Nelson, Butte County, at Cana, and finally bought a ranch at Vina where he spent the rest of his life. He married Melancy Cole Lovelett in Oroville on July 20, 1874. Fifty years later, Samuel Jose Morton's grand-nephew Warren Freeman Nelson of Chico, Butte Co. and Irene Jordan of Fort Jones, Siskiyou County were married at the home of her parents in Fort Jones on July 20, 1924. They went to Chico and the Samuel Jose Morton's came to visit them and presented them with a lovely China cake plate which had been a wedding present to them fifty years before.

Freeman Wellington Morton was the great-grandfather of Warren Freeman Nelson who had been named for him. John Pennymore Morton was Warren's maternal grandfather. John Pennymore had a son, John Henry Morton, born in 1884 who came to Etna, Siskiyou County in 1911. "Rube" as he was known had been a pitcher with baseball teams in Stockton, Lodi, and Chico before going into the Pacific Coast League soon after 1900 and remained for ten years.

After coming to Etna he pitched on the teams there and was manager for some time. He worked as a master plumber and tin-smith in Etna for many years having learned the trade under his brother-in-law Gus Gerlach in Lodi. In Etna he was married to Lena Horn, a member of a pioneer family. John Pennymore Morton visited his son and wife there on occasion. "Rube" passed away in 1959. At that time his sister, Anna Barbara Morton Nelson was living at the home of her son, Warren in Fort Jones after the death of her husband in 1957.

Many descendents of Freeman W. Morton are scattered far and near, a goodly number here in Siskiyou County and other points around the world. Our great-grandchildren, for instance, are of the seventh generation in his line.

I thought this might be of interest to some of our society, especially since we are starting the group, "First Families of the Pacific States".

Irene Jordan Nelson
